OFFERED

NALANDA INSTITUTE OF TECHNOLOGY

Nalanda Institute of Technology, Bhubaneswar, a brain child of Balaji Educational Trust has come out of its cocoon in the year 2006 with an objective to impart value & quality based technical education not only to the students of Orissa but also to the students of eastern India. This state of the art institute is laid out in over 32 acres at Chandaka Square, at Bhubaneswar and approved by AICTE, New Delhi, affiliated to BPUT & recognised by Govt. of Odisha. The management hopes to render yeoman service to the student folks to facilitate them to pursue a career option. With an experience of 8 years at the backdrop in running technical institutions, we know the art of teaching better than others.

AIC-NALANDA

IDEATE | CREATE | ELEVATE SHAPE YOUR DREAM WITH INNOVATION

AIC-Nalanda Institute of Technology Foundation is a Technology Business Incubator supported by Atal Innovation Mission, a flagship initiative set up by the NITI Aayog, Government of India to nurture innovation and entrepreneurship across the nation.

Our Incubation Centre is headed by experienced professionals who converge their experience and expertise of respective fields to guide and mentor the young aspiring minds to realize their ideas and scale up their business. AIC-Nalanda has extensive in-house resources and academic-industry collaborations to support and promote Odisha's leading ecosystem of innovation and entrepreneurship.

Mentorship Support from Experts

AIC-Nalanda provides Mentorship, IP & Legal Regulatory support as well

Business Consultation

for growth & development

We provide business consultation from professional according to the stage of startups which helps them in their operation & growth

Connect & Networking

for scale up

We provide VC's, Angel Investor, Market and Industry connect opportunity for startups to scale their business

Funding Assistance

Grants & Private fund

We provide private funds, seed fund support upto 25 Lacs guidance to apply for other schemes as well

- Common Office Lounge
- Maker Space & ICT Lab
- Exclusive Startup Toolkits
- Subscription & Staffing Service
- Plug & Play Co-working space
- Uninterrupted Power & Internet Supply

alanda group has always proven its effort to constantly serve the community. Over more than 17 years, we have served society by educating young aspirants. Now, on being selected as the First Atal Incubation Centre of Odisha, we see ourselves to be engaged in encouraging and supporting budding enterpreneurs for creating meaningful and sustainable solutions for the community.

In technology driven world where digitalization is the new economy, AIC-Nalanda shall remain focused towards nurturing cuttingedge technology and disruptive innovations. This initative is in orientation to our vision of "Education, Employment and Empowerment". The talented, young and creative human resource of our state and nation at large is yet to be explored and benefit the deprived and oppressed section of our society. We welcome you in this noble endeavour to work together and grow together.
